Six of a Kind

Each representative is given a category and is expected to decode six items of that subject.

Let's say the category is Indian cities, then the 6 cities are revealed successively one by one at a time as seen in the image above.

Points are awarded on the basis of the number of items decoded in stipulated time.

Promotion / Branding Activity

Virtual Buzzer

The screen shows an incomplete sentence or phrase with a hint. The letters fill in gradually based on the cues by the game show host.

This is a buzzer round which means the team that hits the buzzer first gets a chance to answer first. The questions are not passed.

Bingo

Each bingo e-card on your browser screen contain 16 numbers which you can be selected from a grid of numbers 1-90.

When the game starts, random numbers are drawn and any player participating in the game completes a bingo pattern first, win the prize - a line with 4 numbers in diagonal, horizontal or vertical row. And the big house bingo for first person to fill all 16 numbers on their e-card wins.
